Chemical spill on Controls Drive in Shelton

05/17/2019

By: Detective Richard Bango

On 05/17/2019 the Shelton Fire and Police Department responded to Milestone Inc located at 25 Controls Drive in Shelton. Initial calls reported an explosion but after the fire department arrived it was determined that was not the case. An investigation revealed a small Hydrofluoric acid spill occurred and vapor from the chemical reached the ventilation system causing the building to be evacuated. There were no reported injuries. Fire and Hazmat crews are on scene and are expected to clear the building soon.
